

Classical Chinese Feng Shui

Theresia Stillhart works as a professional Feng Shui expert over 17 years.

She has studied Feng Shui personally with the late Grandmaster Yap Cheng Hai, Malaysia, an internationally top ranked Feng Shui Master. In 2004 Theresia became an accredited teacher in his Feng Shui Academy and teaches in Switzerland and Europe.

In 2007 Theresia was accepted as a private student by the late Feng Shui Master Lau Kai Chi of Han Wu Pai Hong Kong for learning Yin Zhai and Yang Zhai, Luan Tou and 64 Hexagram Method.

In 2009 she followed an intense training for Japanese Landscape Gardening in Tokyo und Kyoto held by Kosugi Zohen.

Theresia masters the traditional disciplines of **Luan-Tou** (Landscape- & Form School) and **Li Qi** (Compass-School) and **Water-Dragon-Method**.

In order to get the most accurate information for her clients the methods of San He and San Yuen, 64 Hexagrams and Ba Zi (Destiny reading) and Day Selection are combined in her analysis.

Core task of her work with private clients and corporate companies are:

- Evaluation and selection of land or buildings
- Development of new buildings
- Optimization of existing buildings & apartments
- Garden- & Landscape design to enhance the quality of the property
- Day Selection for important undertakings
- Ba Zi readings for individuals or employees
- Yearly Feng Shui readings and recommendations

Theresia has a proven track record of giving successful Feng Shui audits to both private clients and corporate companies. She speaks fluent German, French and English. Her office is based in Switzerland but audits are available in Europe and worldwide.
